

PARADISE VALLEY AESTHETICS

Laser Liposuction Emotional Well Being Checklist

Are you ready?

- I am choosing to enhance my appearance because I want to. Others support me, but no one is influencing, pressuring or forcing me.
- I am realistic about what I want to achieve. I am not looking for radical Results and I do not want to (or expect to) change who I am.
- I understand that cosmetic enhancement can improve my appearance, but it cannot change my life.
- I accept that the results of my treatment may be permanent and I will have to live with them for life. I know there are potential risks and that no result is guaranteed.
- My physical and emotional health is stable. I am not being treated for any chronic health disorders or serious mental health conditions.
- I can afford all the costs of surgery, including non-monetary costs such as recovery time.
